

Please state your knowledge and experience in the matters set out in section 7(2)(e) of the Legal

Practice Act, 2014.

Since 2003 (15 years) have represented attorneys in professional negligence actions on instructions of the AIF and therefore have an advanced understanding of the professional standards required for attorneys as well as civil proceedings and the functioning of the courts.

I also have a constitutional litigation practice which is conducted largely pro-bono. I therefore understand and appreciate the principles of promoting access to justice and the problems with its implementation. I have sat as an assessor on multiple occasions in High Court Criminal Trials. I have conducted board of inquiries for state owned entities and also been involved in competition law matters including dawn raids.
